PAVING RESTORATION
DAY 1 OF 4
8/31/2021

Roadways will be closed in the Quad Loop for the restoration of paving previously disturbed by the installation of hot water pipes.

**DAY 1: 8/31/2021 6AM - 6PM**
- Surface preparation at Bioletti Way, Hutchison/Cal Ave Intersection

**DAY 2: 9/1/2021 6AM - 6PM**
- Paving at Bioletti Way, Hutchison/Cal Ave Intersection
- Surface preparation at Cal Ave, Kerr Hall Parking, Young Hall, North Hall

**DAY 3: 9/2/2021 6AM - 6PM**
- Paving at Cal Ave, Kerr Hall Parking, Young Hall, North Hall
- Surface preparation at N. Quad, W. Quad
- Pipeline installation at Hutchison Drive at Shields Library will be closed for pipe installation.

**DAY 4: 9/3/2021 6AM - 6PM**
- Paving at N. Quad, W. Quad
- Pipeline installation at Hutchison Drive at Shields Library will be closed for pipe installation.

**FIRE DEPARTMENT REQUIREMENT**
Areas identified in plan *** must remain unobstructed for Fire Department access during Bioletti Way closure.
ROAD CLOSED TO THROUGH TRAFFIC

**PAVING LEGEND**
- Surface preparation/grinding/milling
- Asphalt paving

**PAVING RESTORATION**
Roadways will be closed in the Quad Loop for the restoration of paving previously disturbed by the installation of hot water pipes.

**DAY 1:** 8/31/2021 6AM - 6PM
Surface preparation at Bioletti Way, Hutchison/Cal Ave Intersection

**DAY 2:** 9/1/2021 6AM - 6PM
Paving at Bioletti Way, Hutchison/Cal Ave Intersection
Surface preparation at Cal Ave, Kerr Hall Parking, Young Hall, North Hall

**DAY 3:** 9/2/2021 6AM - 6PM
Paving at Cal Ave, Kerr Hall Parking, Young Hall, North Hall
Surface preparation at N. Quad, W. Quad
Pipeline installation - Hutchison Drive at Shields Library will be closed for pipe installation.

**DAY 4:** 9/3/2021 6AM - 6PM
Paving at N. Quad, W. Quad
Pipeline installation - Hutchison Drive at Shields Library will be closed for pipe installation.

**TRAFFIC CONTROL**
- HEATING HOT WATER
- BAINER HALL / ESDC CONSTRUCTION

**LEGEND:**
- ROAD CLOSURE
- WORK ZONE
- DETOUR SIGN
- FIRE HYDRANT
- VEHICLE OR BIKE DETOUR ROUTE
- BIKE DETOUR ROUTE

If there are any questions regarding this notification, contact Design and Construction Management (DCM) at (530) 754-1111 or the Project Manager via email: Dan Goldie (Heating Hot Water) dgoldie@ucdavis.edu; Aaron Lester (Bainer Hall Construction) ajester@ucdavis.edu

**FIRE DEPARTMENT REQUIREMENT**
AREAS IDENTIFIED IN PLAN *** MUST REMAIN UNOBSTRUCTED FOR FIRE DEPARTMENT ACCESS DURING BIOLETTI WAY CLOSURE

**ENGINEERING BIKE PATH**
The portion of Engineering Bike path east of Hetliron Staff Learning Center to the intersection north of Kemper Hall will be closed to all traffic for the reconnection of underground utilities and reconstruction of the path. Pedestrian traffic will be re-routed to the sidewalk to the north, and south through the chemistry quad. Bicycle traffic will be re-routed south through chemistry quad to Bainer Hall Drive. Path closure is expected to be from August 1st through October 31st 2021.

**BAINER HALL / ESDC CONSTRUCTION**

**HEATING HOT WATER PROJECT**
