Townhall
With General Contractors

https://dcm.ucdavis.edu/cpma
What is changing and why?

- Capital Project Management & Accounting (CPMA)
- Transition to e-Builder
  - Will replace Spitfire and Prism
  - Does not affect Bluebeam, PlanGrid, and other software tools
Processes in e-BUILDER include:

- Project Updates
- Budget Approvals
- Authorizations
- Work Order Requests
- Permits
- Construction Contract Approval
- Notice to Proceed
- *Construction Contract Invoicing*
- *Change Order Requests*
- *Change Orders*

- Request for Information
- *Construction Submittals*
- *Field Orders*
- *Letters of Instruction*
- Guarantee Defect Notices
- *Inspection Requests*
- Daily Field Inspections
- Project Management Dashboards
- Executive Management Dashboards
## Key Transition Dates

<table>
<thead>
<tr>
<th>Milestone</th>
<th>Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Prism access turned off</td>
<td>Feb 28, 2022</td>
</tr>
<tr>
<td>Internal Training</td>
<td>Feb 28 – Mar 11, 2022</td>
</tr>
<tr>
<td>e-Builder goes live</td>
<td>Mar 14, 2022</td>
</tr>
</tbody>
</table>
