

BAINER HALL / ESDC CONSTRUCTION

Engineering Bike Path
The portion of Engineering Bike path east of Heitman Staff Learning Center to the intersection north of Kemper Hall will be closed to all traffic for the relocation of underground utilities and reconstruction of the path. Pedestrian traffic will be re-routed to the sidewalk to the north, and south through the chemistry quad. Bicycle traffic will be re-routed south through chemistry quad to Bainer Hall Drive. Path closure is expected to be from August 1st through October 31st 2021.

HEATING HOT WATER PROJECT

Start: Monday July 12, 2021 at 7 AM
End: Friday August 20, 2021 at 5 PM

Hutchison Drive
Hutchison Drive from A Street to California Ave will be closed to all through traffic for the installation of hot water pipes. Vehicular through traffic is to bypass the construction zone via Shields Ave.
