Fire department connections by Hiltman Center and South Silo to remain accessible for emergency access.

**TRAFFIC CONTROL ENGINEERING STUDENT DESIGN CENTER**

Start: Thursday October 13, 2022 at 6 AM
End: Friday October 14, 2022 at 4 PM

**ROADWAY CLOSURES:**
- Bikeway / service loop closure

The portion of the multimodal loop between Baker Hall and the bike parking south of Teaching and Learning Complex will be closed to all traffic for two days to allow storefront glazing installation at the Engineering Student Design Center.

Detour for bikes shall be around Baker Hall to the south from both east and west directions.

Detour for service vehicles will be from either side of the Teaching and Learning Complex with backing up for exit. Deliveries will revert to the Hutchison Drive loading zone to the north of Silo for this duration.

If there are any questions regarding this notification, contact Design and Construction Management (DCM) at (530) 754-1067 or Debra Smith, Project Manager, via email: dsmith@ucdavis.edu
